Plaintiff filed an unopposed first stipulation for extension of time (Dkt. 15), requesting a 45-day extension of the due date in which to file his opening brief. Plaintiff states that the administrative record was filed with an incorrect hearing transcript, which plaintiff discovered during preparation the opening brief on September 25th, the current due date for filing the opening brief.

Plaintiff is entitled to complete record administrative record, however the court is unwilling to grant a 45-day extension at this time. The court hereby GRANTS a 30-day extension of the briefing schedule, with the new deadlines as follows:

Plaintiff's Opening Brief: October 26, 2012

Defendant's Responsive Brief: November 23, 2012

Plaintiff's optional Reply Brief: December 7, 2012

If defendant is unable to provide the correct hearing transcript in time for plaintiff to file his opening brief, plaintiff may petition the court for a second unopposed extension. Plaintiff should include in any such filing a statement from defendant as to the date by which the correct hearing transcript would be filed.

DATED this 26th day of September, 2012.
